AOL RAK  
BUREAUCRATIC OFFICE

*Interior*  
 Summary: Room #? is a large, open room  
 with lots of people in it. The room seems  
 flat-celinged, with divisions which do not  
 reach the ceiling. One part of room  
 has someone who talks to people & sends  
 them away. Another part has a person  
 who feeds the people in this/his division of  
 the room.
